

Registration is now open for Walk & Roll for Muscular Dystrophy Canada!

Join us at one of more than 25 in-person events taking place across the country for a fully accessible event that is fun for the whole family!

By registering for the Walk & Roll for MDC and fundraising, you are supporting MDC's full spectrum of programs, services, and supports for the thousands of Canadians of all ages living with a neuromuscular disorder. Every dollar you raise is an investment in transformative research that works towards more answers, therapies, and potential cures.

Don't wait! Register now and start raising critical funds to help break down barriers for the neuromuscular community.
