Registration Form

Muscular Dystrophy Canada's (MDC) mission is to enhance the lives of those affected with neuromuscular disorders by continually working to provide ongoing support and resources while relentlessly searching for a cure through well-funded research. Muscular Dystrophy Canada provides registered clients with a range of services, including support, information, education, advocacy and equipment.

To register, you must have a confirmed diagnosis of a neuromuscular disorder under MDCs umbrella, signed by a physician or a healthcare professional. Please visit our web site www.muscle.ca where you can find the comprehensive list of neuromuscular disorders covered by our organization.

Muscular Dystrophy Canada (MDC) collects personal information for a variety of purposes including the delivery of services, fundraising, quality management, research, billing and meeting legal and regulatory requirements.

MDC utilizes several safeguard measures to protect personal information and keep it confidential and will not share any personal information with any third parties unless it is directly related to the delivery or enhancement of the services that MDC provides or unless a Canadian law requires it. MDC has guidelines and procedures to prevent unauthorized access and to govern the destruction of personal information. The full MDC Personal Information Protection (Privacy) Policy is available on the MDC website or by request.

For more information about our privacy policy or Muscular Dystrophy Canada, please call 1-800-567-2873 or visit www.muscle.ca.
