Walk4MD Outreach and Fundraising Support Volunteer

Muscular Dystrophy Canada is currently recruiting 8-10 volunteers to provide virtual outreach and fundraising support for the Walk4MD.

The Walk for Muscular Dystrophy (Walk4MD) is Muscular Dystrophy Canada's bilingual, fully accessible, virtual, community event that is fun for family, friends, businesses and colleagues. The Walk4MD is our signature event and brings together our community - clients, Fire Fighters, Chapters, researchers, healthcare professionals, volunteers, donors, Board Members and MDC staff.

ROLE:

Working with Annual Campaigns staff team members, the Walk4MD Outreach and Support Volunteer will support the growth of the event through outreach (phone calls) to past participants and MDC stakeholders, recruiting new teams and event participants, providing fundraising support to teams and event participants, and stewarding participants.

HELP US TO:

- Support Canadians affected by neuromuscular disorders to participate fully and equally in society and live their best lives on their own terms
- Raise funds to support Mission delivery at Muscular Dystrophy Canada, including programs, services and research in support of people affected by neuromuscular disorders
- Grow the Walk4MD, both in terms of revenue and engagement
- Recruit new teams and event participants
- Steward teams and event participants
- Support teams and event participants with both fundraising ideas and online fundraising
