

Jennifer Williams joined the Muscular Dystrophy Canada Executive Leadership Team in 2021 to oversee fundraising strategies; build upon our roadmap for growth and enhance MDC's donor experience. A graduate of Western University with an Honours Bachelor of Arts (Philosophy), Jennifer also holds a Certified Fundraising Executive (CFRE) designation. She is a seasoned fundraiser with 20 years of experience in education and healthcare fundraising. An accomplished leader in major gifts and planned giving, Jennifer has played an integral role in all aspects of development and community engagement for Branksome Hall, the Lawrence S. Bloomberg Faculty of Nursing, University of Toronto and the Temerty Faculty of Medicine, University of Toronto. In addition to her role at Muscular Dystrophy Canada, she is a proud volunteer with the Mississauga Majors, Oakville Hornets and Port Credit Storm.
